Information We Collect Automatically When You Use the Services

Unlike other iOS apps available on the App Store, Sticker Packs do not allow developers to collect usage or analytics through the use of 3rd party tracking services. Apple, however, collects some usage data from devices whose users have opted in to share such information with 3rd party developers.

Use of Information

We use information about you for various purposes, including, but not limited to:

- Provide, maintain, and improve our services;
- Provide services you request, process transactions, and to send you related information;
- Send you technical notices, updates, security alerts, and support and administrative messages;
- Respond to your comments, questions, requests, and provide customer service;
- Communicate with you about news and information related to our services;
- Monitor and analyze trends, usage, and activities in connection with our services; and
- Personalize and improve our services.

By accessing and using our services, you consent to the processing and transfer of your information in and to the United States and other countries.
Sharing of Information

We may share personal information about you as follows:

• If we believe disclosure is reasonably necessary to comply with any applicable law, regulation, legal process, or governmental request;
• To enforce applicable user agreements or policies, and to protect us, our users, or the public from harm or illegal activities;
• In connection with any merger, sale of Aleksander Skjoelsvik assets, financing, or acquisition of all or a portion of our business to another company; and
• If we notify you through our services (or in our Privacy Policy) that the information you provide will be shared in a particular manner and you provide such information.

We may also share aggregated or anonymized information that does not directly identify you.

Security

We take reasonable measures to help protect personal information from loss, theft, misuse, and unauthorized access, disclosure, alteration, and destruction.
